# metal bed single

frame, headboard, decking

model DG 8440 BMX

model DG 7940 BMX

## dimensions

40" width  
79" | 84" length  
34" height

## construction

Metal bed frame of 2" angle iron creating the mattress deck. Angle iron is secured to 1.5" square tube end frames with 6" vertical angle plate for maximum stability. Epoxy powder coated for durability. Base of legs are sealed with plastic end caps at ground level.

Headboard is of 1.5" square metal frame. Top corners are fabricated with 45 degree angles welded and buffed for a seamless transition. Headboard is finished with a .75" laminate panel insert edged with PVC banding on all sides to ensure no bedbug intrusion. All connections are metal to metal fasteners.

Decking over metal support frame is of 0.5" white laminate sealed with PVC edge banding to ensure **no bedbug intrusion**. Decking eliminates need for box spring and maintains longevity of mattress.

Fits twin mattress of 39" x 75" | 80".

## finish

frame, epoxy coated  
- Black  
- Silver laminate  
- Standard DE Design finish options  
decking  
- White

## standards

- Limited Life-time Warranty
